

Macnaught 60th Birthday Celebrations!

Macnaught officially turned 60 on the 13th October this year. To celebrate this achievement, we have been running our 'New for Old' competition nationally throughout the year. The competition has been a great success with 18 long term customers winning brand new Macnaught products and 6 customers winning tickets to watch the Jim Beam racing team in various states. Thank you again to all those who supported the competition and congratulations to those

who were lucky enough to win!
